Photography Ideas for December 2025

Ideas for our **Assigned Subject - Fun**. Note - the monthly subjects' meaning is always open to your interpretation, don't allow these ideas to impact your creativity.

The Three Pillars of "Fun"

To narrow down your options, decide which type of "fun" you want to capture:

- High Energy/Action: Motion, speed, splashing, jumping.
- Genuine Emotion: Unposed laughter, surprise, joy.
- Whimsy/Abstract: Bright colors, forced perspective, or "toy" photography.
