## How to Avoid Losing Your Digital Photographs

The Milford Camera Club hosted Chane Cullens for an informative presentation on backup strategies on May 5th. Here are the slides from that event and a video recording. Agenda Digital photos are often at risk of a single failure or mistake that causes the loss of a decade of family photos and memories. We'll look at several methods to preserve ...

## Light Painting Success at Program Night

What a night! 6 vehicles, 5 photo-ops stations, and endless opportunities to master light painting... it was an amazing learning session! Huge thanks to Melissa for the awesome program and her insightful presentation on forced perspective and light painting. And a big shoutout to everyone who brought their cars – you made the practice sessions possible! Sharing Photos With Car ...

## **Digital Photography School**

### **How to Prevent Reflections When Photographing Through Windows**

Several great ideas. "The jacket is placed around the camera to stop reflections" is a method I've used many times when photographing out a window.
