Flagpole's Chane Cullens Presented Using a Photo's Impact to Influence Commenting

On March 31st, Chane presented online to over 400 photographers and photography judges a program on “Using a Photo’s Impact to Influence Commenting”. His presentation was part of an educational miniseries from the New England Camera Club Council to enhance the experience of participating in camera club competitions. The miniseries is free and open to everyone and had participants from ...
