## Hands-on Learning Extravaganza at the Photo Basics Program Night

## Aperture Impacting Focus

Following Chane Cullens' insightful presentation, the room buzzed with anticipation for the hands-on learning portion of the Camera & Photo Basics Night. Many experienced photographers, including Darrell, Sandy, Melissa, Rhonda, and Chane himself, staffed informative stations where participants put their newfound knowledge into practice. Even first-time attendees quickly engaged, soaking up the new concepts. Several attendees, previously struggling with blurry ...

## Tutorials and Tips for the Solar Eclipse

Interesting ideas for phones and cameras as we prepare for our April 8 eclipse.

Including practice, practice, practice since the next USA near total eclipse is in 2044.
